WITHOUT NOTICE, WARNING, OR PHONE CALL, .....

ON ONE OF THE HOTTEST DAYS OF THE SUMMER, AUGUST 14, 2015, WE WERE INTIMIDATED, COERCED, INSULTED AND CUT OFF AT THE POLE BY DTE ENERGY FOR NOT TAKING A SMART METER ON OUR HOME. DTE TRUCKS FILLING THE STREET IN FRONT OF OUR HOME, PEOPLE ALL OVER OUR NEIGHBORS LAWN AND TWO POLICE CARS LINED IN FRONT OF OUR HOME....THEY WENT RIGHT TO OUR ELECTRIC METERS..ONE OF THE POLICE OFFICERS KNOCKED ON OUR FRONT WINDOW ..I WENT OUT SIDE AND TOLD THEM WE WERE STILL IN THE COURT OF APPEALS.....NO RESPONSE.... .THEY DID NOT CARE.....

WHEN I TOLD MR. MCCORMICK WE CANNOT HAVE A SMART METER ON OUR HOME, I AM A CANCER SURVIVOR AND MY HUSBAND IS A HEART PATIENT..... HE GAVE THE ORDER TO CUT US OFF AT THE POLE....AN INHUMANE ACT ON HIS PART...AND ON US..

IN A SHORT TIME THE HEAT IN OUR HOME WAS SO BAD WE HAD TO LEAVE IT AND FINE OTHER LODGING.....WE HAD NO PHONE SERVICE, OUR ORGANIC FOOD SPOILED.....AND NO PLACE TO GO.....

WE THAN BEGAN OUR OFF GRID EXPERIENCE.....THAT INCLUDED HAVING OUR SHUT OFF METER READ EVER MONTH BY DTE METER READER. THAT WAS CONTINUED HARASSMENT THAT STILL GOES ON .....

WE WANT OUR ANALOG BILL PASSED, WE ARE SENIORS .THE PEOPLE OF MICHIGAN NEED AND DESERVE A SAFE METER ON THEIR HOME!! .....ONE QUESTION.....WHY IS THERE NO OTHER STATE THAT CUTS PEOPLE OFF FROM THEIR ELECTRICITY??? EVEN THOSE THAT CANNOT PAY ARE OFFERED PAYMENT ARRANGEMENTS..... BUT THOSE THAT GET SICK FROM THE EMF'S, DIRTY ELECTRICITY. DON'T STAND A CHANCE.OF CONSIDERATION...
